MORE INFORMATION ABOUT COACH HOLLOWAY

FCA...

Invite Brad to talk to your coaches, train your leaders how to lead FCA on their campus, or share with your Financial Support Team what God is doing through FCA. Brad taught for 19 years, coached football and wrestling for 10 years, led FCA on his campus and took student athletes to FCA Leadership Camp at St. Simon's Island, FCA Sports Camp and Coaches Camp at Black Mountain.

LEADER TRAINING...

Invite Brad to train your church leaders how to become disciples who make other disciple makers. Brad has nearly 400 men and women around the world he has discipled and trained. Invite him to tell the stories of what God has done in his life as a disciple-maker, and to train your leaders.

RELATIONAL DISCIPLESHIP...

Brad spent six years of his life studying how Jesus made disciple makers in the Gospels and the book of Acts. Brad uses what he learned as a model for his own disciple making. He would love to encourage your leaders, and share with them what he's learned, and how they can become disciples who make disciples.

COACH HOLLOWAY'S BOOK...

On the pages of his coming book, *From the Wrestling Mat to the Mission Field—My Journey of Making Disciples of all Nations*, retired teacher, football and wrestling coach, Brad Holloway takes us on his journey of following Jesus as a teen into his adult life. He says, "The will of God is not a mystery," and shares his story of simply doing the next thing God gives him opportunity to do. From leading students to saving faith Christ in the public school classroom, talking down a drunk would-be assailant on the dark streets of Mozambique, Africa, and as a church planter in Puerto Rico, Brad shares how he uses his occupation to pour his life into others to do what Jesus said, "make disciples of all nations."

WHAT OTHERS ARE SAYING ABOUT COACH HOLLOWAY...

Mark Hall *Singer, Song Writer for Casting Crowns and Student Pastor at Eagles Landing FBC*

"For over 15 years, Brad has poured into and discipled students here at our church. In small group, and in large group settings, he is doing it right. If I can trust him with my teenagers, you can trust him with yours, and you should look into what he can do teaching you and your ministry about one-on-one discipleship."

Sid Callaway *FCA Regional Coaches Ministry Director*

"For over 20 years, Coach Holloway has been an outstanding example of what the FCA ministry is all about. He has led FCA at his school, trained leaders, given out FCA Bibles, made disciples, taken athletes to summer camp, put on evangelistic events, and more. More important is the fact that Brad has a heart for leading people to Christ and to disciple them throughout their journey."

Bill Renje *FCA South Metro Atlanta Area Representative*

"In sports, they're called 'utility players,' — guys who can play wherever you need them and do whatever you need them to do. In ministry, they're called 'servants.' They are people who serve wherever they are needed. Brad was my utility guy in FCA and student ministry. He ran a life-changing, impact-having FCA huddle at Union Grove MS. He'd speak at large or small outreach events. He'd drive the bus to camp. He'd lead a small group. He'd speak to a leadership training. He'd raise money for the ministry. He'd come early to help set up. He'd stay late to clean up. There was no need or task too big or small for Brad. All of this while he worked full time, raised a family, coached football & wrestling, served 24/7 at church and traveled the world on mission to Honduras, Brazil, Wales, Mozambique."
