

## SUMMER CAMPS

Summer Sports Camp and Leadership Camps are an absolute blast! Whether we go to St. Simons Island on the coast of Georgia or Black Mountain in North Carolina, the student athletes are guaranteed to have a great time of skill building, competition, leadership training and fellowship. Large group meeting and training times are led by college and professional coaches, while small group discussion / accountability meetings are led by college students who themselves have a genuine walk with God.

## STUDENTS AND

## LOCAL YOUTH PASTORS

High School and College Students, as well as youth pastors from local churches in Henry County lead the Huddle meetings. One week it'll be a skit. The next week it'll be a game. Either way, the Huddle meetings are always fun and challenging. All students are invited and welcome. It does not matter if you are on a school team or not, **YOU ARE WELCOME!!** Students from 6th grade, 7th, grade, and 8th grade all attend.

## PARENT VOLUNTEERS

**DOUGHNUTS FOR HUDDLE MEETINGS..** FCA depends greatly upon parent volunteers. Our Huddle meetings are held almost every other week (depending on what month it is) and we depend on parents to coordinate the donation of doughnuts and juice. If you'd be available to help us with that, please see one of our FCA sponsors.

**POWDER PUFF FOOTBALL...** This is our biggest fundraiser. The proceeds go to buy supplies for campus events, and most of all, to help send our students to Leadership and Sports Camp in the summer. If you can volunteer to help us in the concession stand we'd really appreciate it.

## STUDENT LEADERSHIP TEAM

Students wishing to be on the FCA Leadership Team will need to fill out a Leadership Application. You can get one from any of the FCA Sponsors.

## ONE WAY 2 PLAY- DRUG FREE

One Way 2 Play- Drug Free is a program established by FCA in which student athletes are challenged to live and play their sport drug and alcohol free. The program consists of coaches and professional athletes either live or via dvd sharing their story and encouraging students to play their sport and live their entire life drug and alcohol free.
